

Why should you vote in the Republican Primary Election?

Of course, it's important to **cast your vote to determine our standard bearer against the Democrat candidate** in the General Election.

BUT, did you know that **voting in the Republican Primary makes you eligible to participate in your precinct convention?** The convention takes place after the polls close on March 3, typically at 8PM.

THIS YEAR, there's **another great reason to vote** in the Republican Primary.

THIS YEAR, the Republican Party of Texas wants *your opinion* on 10 issues. While the vote is non-binding, these poll results will guide TX GOP Convention delegates on platform positions.

1. Texas should not restrict or prohibit prayer in public schools.
2. Texas should reject restrictions on the right to keep and bear arms.
3. Texas should ban the practice of taxpayer-funded lobbying, which allows your tax dollars to be spent on lobbyists who work against the taxpayer.
4. Texas should support the construction of a physical barrier and use existing defense-grade surveillance equipment along the entire southern border of Texas.
5. Texas parents or legal guardians of public school children under the age of 18 should be the sole decision makers for all their children's healthcare decisions including, but not limited to, psychological assessment and treatment, contraception, and sex education.
6. Texas should ban chemical castration, puberty blockers, cross-sex hormones, and genital mutilation surgery on all minor children for transition purposes, given that Texas children as young as three (3) are being transitioned from their biological sex to the opposite sex.
7. Texans should protect and preserve all historical monuments, artifacts, and buildings, such as the Alamo Cenotaph and our beloved Alamo, and should oppose any reimagining of the Alamo site.
8. Texas election officials should heed the directives of the Office of the Governor to purge illegal voters from the voter rolls and verify that each new registered voter is a U.S. Citizen.
9. Bail in Texas should be based only on a person's danger to society and risk of flight, not that person's ability to pay.
10. Texas should limit our state legislators' terms to 12 years.
